

THINK GREEN SAVE GREEN

Help preserve our natural resources by recycling your boxes.

Free corrugated cardboard pickup!

Your recycling effort...

Preserves natural resources.

Reduces landfill material.

Saves on your disposal fees.

Simply flatten your corrugated cardboard boxes, let us know the next time we stop in and we'll take them away for you – free!

Examples of common corrugated cardboard include cases or ream boxes for copy paper, products, stationary, supplies, equipment and publications.
