Office Solutions Acquires Business Services' Division of Newport Stationers

YORBA LINDA, CA, August 1, 2016 – Office Solutions, Southern California's largest independent commercial business products & services supplier, today announced the acquisition of the business services' division of Newport Stationers, an independent office supply dealer based in Irvine, CA. Newport Stationers' retail store will remain open in Newport Beach, CA, and will continue to celebrate their 50 years of doing business by proudly serving their retail customers.

The acquisition of Newport Stationers' business division aligns with Office Solutions' goal of expanding products and services throughout Southern California and the west region. This is the 6th acquisition completed by Office Solutions within the last fourteen months.

"We are very excited to have the Newport Stationers' team join the Office Solutions' family," said Bob Mairena, President of Office Solutions. "This is a great opportunity for both organizations. Both parties can leverage this change by serving customers who require specific needs for their Southern California businesses. Although Office Solutions services customers nationwide, we continue to focus on cultivating our regional footprint. Locally-owned businesses such as Office Solutions can contribute many benefits, such as creating more jobs and in some sectors, provide better wages and benefits than big-box retailers do."

About Office Solutions

Office Solutions is the largest independent commercial office supplier in Southern California. In addition to office products, Office Solutions also owns and manages Gale Supply Co., a janitorial supply provider, and OS Business Interiors, a full-service commercial furniture dealership. Serving national corporate accounts throughout the United States with next-day service, Office Solutions offers the most advanced procurement systems in the industry. They continue to be recognized for their commitment to the environment and for encouraging employees to contribute their resources to local charities.
